

# Brighter Than the Sun [E, 106 bpm, 4/4]

DOXA Worship

## INTRO/HOOK:

A // E // B // C#m // ; A // E // B /// (2x)

## Verse 1:

A                    E        C#m                    B  
Lord be my voice, Spirit be my song  
A                    E        C#m                    B  
Ignite inside, a flame, to light this world

## Verse 2:

Remove the noise, let Your glory fall  
Bring the dead to life, and call Your children home

## Chorus:

A                    E  
You are the light that shines, brighter than the sun  
C#m                    B  
You are the light inside my soul (repeat)

## VERSE 3:

Tear down these walls, come take Your place  
Darkness subsides, as we lift our hands to praise

## CHORUS

Instrumental Break: (2 measures)

A

## Bridge 2:

F#m                    E        A                    B  
King of Kings, Holy Fire, majestic in all You are  
F#m                    E/G#        A                    B (repeat)  
Son of God, shine on us, brighter than the brightest star

CHORUS 2x

HOOK 2x (end on the 1)
